

Dear Friends

The Committee of The T E Lawrence Society is pleased to invite you to attend our weekend Symposium, planned for 24 - 26 September 2021 in Oxford. Now Spring is here we are hopeful of a resumption of more normal lives and activities and look forward to gathering in person to share our interest in Lawrence and his life and work.

We will continue to monitor the health situation and are ready to amend details as required to ensure the wellbeing and comfort of all. St John's College has plenty of additional meeting space if needed and the Conference staff are being very accommodating. If your 2020 deposit is held by us it will be transferred to your new booking; payment details are noted on the Booking Form. If you have any enquiries or comments please do contact me on our dedicated Symposium address, symposiumreservations@gmail.com or my Society email, hon.secretary@gmail.com

You can download a Booking form and Symposium Programme here. If you plan to attend, kindly complete and return the form (by email, post or mobile phone photograph) as soon as convenient so we can allocate places in order of new bookings. If you not yet able to confirm your place but would like to come, please advise me so I can continue to keep you informed. Please note that in the event of restricted numbers, there will be a waiting list for places.

With best wishes,
Harriet Coates
